PRESIDENT'S FOREWORD

The first Federation exhibition was held in 1918, forty years ago, and has grown to be an important regional event of which we may all be very proud.

Though styles in art may change as the years go by, the basic idea to produce something of beauty will never change, and our Federation Exhibition will continue to grow for another forty years.

This year we have had a jury that worked long hours to select for us an exhibition representative of the work in our area today. We owe them many thanks for their conscientious efforts.

An exhibition of this magnitude would not be possible without the hard work and generosity of many people. To them all, the committees, the donors, the artists and craftsmen, we are deeply grateful.

Our Toledo Museum of Art, as always, has supported and helped us to make this fortieth exhibition a success. A special thanks to George M. Furman and the Museum staff.

WALTER H. CHAPMAN, President
